Shellac - 14 day, chip-free, extended wear Polish

Say hello to the future, the world nail crisis is over! Shellac is the breakthrough, UV technology that combines the ease of polish with the permanence of gels. A true innovation in chip free, extended wear color. Shellac is UV cured, so there is no dry-time. It's thin and flexible polish, so it not only looks natural, - it provides strong natural nail protection.

No drills, no filing, no soaking, no more nail damaging time consuming removal! Shellac removes safely and easily in less than 10 minutes!

The results? 14 day, glorious, high-gloss shine that is truly addictive!

Shellac Application - \$15.00

Shellac Removal - Free with application
